All of our products come with a 1 year limited warranty from date of purchase. We are always improving our products’ features and functionality. We reserve the right to change product specifications at any time without notice.
Magnetic Plate Placement Template
For Wireless Car Mount

For optimal performance, use this template to install the magnetic plate to your device.

How to use:
• Find the template that matches your phone.
• Remove any phone case that may be on the phone.
• Place phone face down on template.
• Remove 3M film from magnetic plate.
• Place magnetic plate in the designated area on the back of your phone.

Contact Ubio Labs customer service for additional questions.
